f) 01/2020/0005

Lleweni, Mold Road, Denbigh

Retrospective application for the erection of one steel framed building. Proposed demolition of an existing steel framed building and erection of 2 steel framed buildings for use in connection with gliding club

The town councillors wish to object to the retrospective application as follows:

Planning rules and regulations need to be adhered to and in this case they have not. Also there is no business case or supporting evidence with the application to substantiate the need for 3 hangers. The 3 hangers have already been built without Planning Permission.
