

Denbigh Town Council – Press Release Sept 2024

Factory Ward Car Park Subsidy.

Denbigh Town Council are delighted to advise that they will be subsidising the Factory Ward Car Park with 30 minutes free parking from the 2nd September.

It was decided when setting the new budget for 2024/25 that it would be beneficial for the businesses in town, tourism and residents to have this subsidy.

People visiting the town can either have:

30 free minutes

1.5 hours for the price of one hour

3.5 hours for the price of 3 hours

(only one free 30 minutes per car per day)

Denbigh Mayor, Cllr Catherine Jones said very much hope that the subsidy will encourage more people to visit our beautiful town of Denbigh including spending time at our shops and visitor attractions.
